Chairman's Report:

The hall continues to be kept very busy with regular bookings which, while being good for finances, can be a problem for Barbara Moss our cleaner and many thanks are due to her for her considerable work.

In the last year the back wall of the hall has been clad in brown UPVC and hopefully will need little attention for a long while! General maintenance is ongoing as and when it can be fitted in with bookings.

My thanks to the committee for all their continuing hard work.

Margaret Henderson
Chairman

Election of officers:

L Auterson proposed re election of committee en bloc
S Joudrey seconded this proposal

Jane then thanked the committee for serving the village so well for the last year. The committee also thanked Margaret for doing an excellent job as chairman

The meeting closed at 7.55 pm
